A word to those driving to the VP Fair: Don't expect to get too close to the fair in your vehicle. Several major streets, including Memorial Drive, will be closed to traffic during the fair, June 30

and July 1, 3 and 4.

July 2 is a normal workday and some streets will be reopened, a fair spokesman said. The "great escape plan" for getting traffic out of downtown, after the nightly fireworks displays will include making all lances of Market Street webound, probably out to Jefferson Avenue, said Jim Suelmann, streets director for the city. Even so, he predicts it will take an hour before all fairgoers are on the road home.
